

## **Section 4000 – Business Management**

4450 School Nutrition Services (Cf. 3660, 8453)

4450

A school breakfast, lunch, after school snack or supplemental milk program shall be made available to all full time students enrolled and in regular attendance in the school District.

A Nutrition Services Director will be hired to oversee the District's School Meal Services.

The Board shall participate in the Commodity foods program operated under the U.S. Department of Agriculture. The Nutrition Services Director shall determine the extent of participation based upon need and economic feasibility.

A system of accounts shall be designed and be operative which sets forth separately all revenues and disbursements of the food service operation as required by law and for management information purposes.

It should be the financial objective of the School Meal Program to maintain fiscal operations on a break-even basis. Daily Meal prices shall be set by the Superintendent to cover actual costs of providing meals, milk, and accessories, including supervision, less the amount of food and financial assistance received from federal, state, and other sources for meals and milk.

Free and reduced price school meals shall be provided to eligible students according to standards as prescribed by the U.S. Department of Agriculture. The Superintendent shall make provisions to ensure that information contained in the application for eligibility is kept confidential, and that students receiving free or reduced price breakfasts, lunches or milk are not discriminated against.

The Superintendent shall provide avenues for parent(s)/guardian(s) and student participation in the planning and evaluating of school breakfasts, lunches and other foods dispensed upon school premises.

The control and supervision of students during meal periods shall be the responsibility of the building Principal.

The Superintendent will ensure that the District complies with USDA regulations as they pertain to competitive food services and the sale of Foods of Minimal Nutritional Value (FMNV).
