RFP Clarification Items:

General Clarifications:

1. The following Insurance updates are to be incorporated within the documents that were issued within the RFP.

INSURANCE REQUIREMENTS: Add the following language to the professional liability insurance requirement:

“If Professional Liability coverage is written on a claim made basis, the retroactive date of such coverage shall be prior to the first date professional services are performed for this project. Professional Liability coverage shall be maintained or an extended reporting endorsement purchased extending coverage for a period of no less than six (6) years after the Completion date of the Project.”

RFIs:

Q1. How were budgets set? Were they based on the AquaSource report included?

A1: GRPS noted that budgets were set prior to reports being completed.

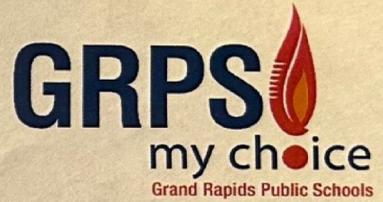

Proposals are due, Thursday, June 26th @ 11a. This date remains unchanged.
