Do you want to help your child **maintain reading and math skills** over summer break? GRASP is an at-home program used by families throughout the U.S. for 50 years!

Children finishing Kindergarten to 8th grade receive a packet of materials with a booklet. This booklet has 9 units of **review exercises** to be completed each week. Each lesson takes about one hour to complete.

You mail scan sheets to GRASP for scoring and we will email lesson results back. Or, **NEW THIS YEAR, parents can score scan sheets with their cell phones instead of mailing them in!** Parents will receive an email with more information after the registration is processed.

**SUGGESTED RETURN DATE FOR FIRST LESSON IS JUNE 13TH
ALL LESSONS MUST BE POSTMARKED BY AUGUST 8TH**

Children in grades 4 to 8 can choose to do GRASP online instead of using the book and scan sheets. The results of each question are shown immediately.

Children successfully completing at least 7 units with 70% accuracy are awarded a certificate. Those successfully completing all 9 units with 70% accuracy receive a medal (one per child).

The cost is \$38 for one subject or \$68 for both subjects for each child. Order the grade level they are just completing so they can review or order a different level if that is appropriate for your child.

To register by mail or fax, complete the enrollment form below **OR**
