 In-person presence at district events and continued help desk support for HCTB and ZPass.

# **Electric School Bus Update**

Grant funding towards the purchase of up to (15) electric school buses and infrastructure.

EPA's 2023 Clean School Bus Rebate Program		Michigan's Clean School Bus Grant Program		TOTAL	
\$5,175,000		\$1,481,643		\$6,656,643	
Q1 Through Q2 2025	Q2 Through Q3 2025			SCHOOL BUS	
Electric Infrastructure Upgrade by Consumers Energy (PowerMIFleet program)	Charging	Beginning Q4 2025		JOÇLEY SAF-T-LINER® C2 ELECTRIC BUS	
	Infrastructure and Related EVSE Installed On-Site	Delivery of First Electric School Buses to GRPS <i>Subject to OEM</i> <i>production schedule</i>			

The grant funds have been sought for the benefit of GRPS. Should the Board of Education desire to make changes that impact grant funds, we are committed to working with the appropriate grant authorities to follow their established procedures such that funds continue to serve the original purpose for which they were applied for – to benefit GRPS.

# **Transportation Technology Innovation**

<b>On-Board</b>	Camera S	ystem Pilot
On-Doard	Camera 3	ystem rnot

In Progress **In Progress On-board camera system installed on 10 school buses Technical evaluations of systems for installation on 10 school buses** Automated, wireless video management system **Continue to explore ways to digitize historical practices** Live-view capabilities **Explore integration with routing system for stop level ridership verification Collaboration with GRPS Safety and Security Team regarding protocols** 

### **Driver Tablet Pilot**

Turn-by-turn navigation
