Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Riverside Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact me at [PattonE@grps.org](mailto:PattonE@grps.org) or call our school's main office at 616-819-2969 for assistance.

[The AER is available for you to review electronically by clicking this link](#) , or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as an Additional Targeted Support (ATS) school.

[Click here to view the School Index Overview for our school.](#) This site provides additional information about key performance indicators.

We continue to implement the district’s Academic Plan that focuses on creating a learning culture to advance students’ thinking and providing a rigorous and standards-based curriculum to help students achieve College- and Career-Readiness by the time they graduate.

State law requires that we also report additional information.
